Subject Overview:	Development of performance skills and artistry is central to a dancer's development. During the three year course students will work with leading and emerging choreographers on the development and performance of new dance works. Students may also study and perform a range of dance repertoire. This will provide a variety of performance experiences that will extend and enhance the student's skill base and artistic development. Performance 3A will culminate in the performance of a dance work as part of the School of Dance mid-year performance season, involving 2nd and 3rd Year students.									
Objectives:	<ul style="list-style-type: none"> # demonstrate an ability to work cooperatively, harmoniously and imaginatively with choreographers and other dancers; # perform with a varied range of interpretative and creative skills; # perform in a wide variety of dance styles; # demonstrate maturity, professionalism, reliability and endurance; # perform works from the professional dance repertoire; # articulate the dance-making process and structure; # deploy effective rehearsal and production procedures, techniques and skills involved in the creation and staging of a dance performance; 									

	<ul style="list-style-type: none"> # apply theatre technology in a creative and flexible way; # evaluate various legal and ethical considerations that are applicable to the dance profession; # explore performance procedures and requirements within a variety of venues and contexts.
Assessment:	Performance assessment based on the quality of performance (60%); participation and contribution to rehearsal process (40%).
