Coordinator:	Mr John Quay
Contact:	Education Student Centre
Subject Overview:	This subject has been designed to involve you in a range of larger projects that immerse you in three major practical aspects of teaching and learning in health and physical education. The three main projects that structure the subject are: (1) planning and conducting a mini-olympics event for a local primary school; (2) planning and conducting a school camp for a local primary school; and (3) analyzing, both theoretically and practically, a way of teaching physical education that incorporates five widely accepted but usually separate models of teaching physical education into the one cohesive program.
Objectives:	Information not available
Assessment:	Assigned written work totalling no more than 4000 words (100%). To be eligible for assessment in this subject, students must produce documentary evidence of having obtained a current Austswim Teacher of Swimming Certificate.
Prescribed Texts:	Prescribed Texts: Students must purchase the prescribed subject reader.
Breadth Options:	This subject is not available as a breadth subject.
