<b>Subject Overview:</b>	The Professional Practice and Seminar Program provides an integrated focus for all subjects taught in the semester and addresses Teacher Candidates' developing understandings of professional knowledge, professional practice and professional engagement. The school placement focuses on developing an understanding of school organisation, management of classrooms, principles of learning and teaching and their application to content areas for teaching. Teacher Candidates analyse their teaching to identify characteristics of lessons that make productive classrooms and are mentored by experienced teachers in collaboration with Clinical Specialists who are engaged in the on-campus teaching program and Teaching Fellows based in schools. The Professional Practice Seminars provide Teacher Candidates with opportunities to examine theoretical frameworks concerning instructional processes, student centred learning and associated practical tasks that have been assigned during the placement.
