Coordinator:	Dr Geoff Sharrock									
Contact:	LH Martin Institute									
Subject Overview:	Defining what 'quality' means for the institution's programs and work processes; and developing and supporting systematic approaches to QA that match institutional understandings of what is important, and also meet external demands to demonstrate the quality of the institution's programs and processes.									
Objectives:	To enable participants to recognise the different considerations at play with internal and external QA and the challenges this presents for institutions and QA units and staff.									
Assessment:	Participation in class discussions; written 4000 word assignment									
Prescribed Texts:	Selected readings and notes to be provided prior to commencement									
Breadth Options:	This subject is not available as a breadth subject.									
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees									
Generic Skills:	On successful completion of this subject participants will appreciate the challenges of meeting internal and external QA priorities, and be able to apply this knowledge to specific situations.									
Related Course(s):	Graduate Certificate in Quality Assurance
