Coordinator:	Dr Maree Pardy												
Contact:	Dr Maree Pardy (http://www.pasi.unimelb.edu.au/gender/staff/pardy.html) mpardy@unimelb.edu.au (mailto:mpardy@unimelb.edu.au)												
Subject Overview:	How is the future of sex and gender imagined in the world today? Indeed do these concepts have a future? Can they adequately capture the breadth, range and fluidity of contemporary and global "sexed and gendered" lives? Key themes will include: the increasing instability of the concepts of sex and gender and their transformations. gender fluidity in the face of persisting gender inequality. gender v lived bodies. imagined futures of everyday gender practices. the future of sexualities. and the transcendence of the body, including cyberspace, cybersex the techno world of games and second life. These themes will be explored in a global and cross-cultural context.												
Objectives:	Students who successfully complete this subject will:												

	<ul style="list-style-type: none"> # have a sound understanding of the main developments in feminist thinking about the past and future of gender inequalities, developments around the concepts of sex and gender(s), and the intersections of gender, "race", ethnicity and class. # have an awareness of the main developments in feminist thinking about the persistence of gender inequality and the place of gender within emerging social transformations globally # have an understanding of feminist thinking about the emergence of radically new forms of gender, embodiment and being human, with emphasis on the interfaces between the biological and the social. # have a sound understanding of the main frameworks for analysing the status, usefulness and future of the concepts of "sex" and gender" in a globalising world, with a particular focus on cross-cultural comparisons of such framework
Assessment:	A short essay of 1500 words due mid semester (40%), and a 2500 research essay due at the end of semester (60%).
Prescribed Texts:	A reader will be available in the university bookshop.
