Subject Overview:	This subject gives students the opportunity to deepen their knowledge of German literature, linguistics and culture, and focuses on revision and further development of students' competence in German. The lecture and accompanying tutorial introduce students to central aspects of the literature, culture and linguistics in German-speaking countries. Students will be introduced to specialised terminology and should develop analytical skills relevant to the topic area. The language component is designed to consolidate and extend students' communicative and linguistic skills through oral and written activities and exercises. Aural comprehension will be developed through the use of audio-visual material.
Objectives:	<ul style="list-style-type: none"> # have acquired a proficiency in basic idiomatic and conversational forms and be able to converse freely using these forms. # have acquired a proficiency in written structures of moderate complexity and be able to formulate such structures clearly and accurately. # have acquired the ability to interpret messages of an intermediate level of complexity occurring in a variety of audio-visual media. # have been introduced to important literary, linguistic and cultural aspects of the German-speaking countries. # have been given the opportunity to develop topics of interest within these general areas. # have been introduced to a variety of specialised terminology and developed analytical skills relevant to the topic area studied. # have achieved the level of language competency required for admittance into 126-131 German Language and Culture 1B.
Assessment:	A 1-hour examination 25% (during examination period). written work totalling 1,000 words 25% (during semester). For the language component: A 1-hour exam 25% (during the examination period), a 10-minute oral exam 12% (at the end of semester), essays totalling 500 words 10% (during semester), and three vocabulary tests 3% (during semester).
Prescribed Texts:	Handbuch zur deutschen Grammatik (Jamie Rankin and Larry D. Wells) (latest edition) Houghton Mifflin
