<b>Subject Overview:</b>	As businesses seek to utilise all resources to improve their competitive advantage, the importance of fully utilising human resources becomes more pronounced. The effective management of human resources can assist an organisation to realise its strategic objectives and satisfy individual needs. This subject provides an overview of the primary concerns associated with Human Resource Management (HRM). Topics covered include: the importance of HRM in organisations; external factors influencing HRM; planning and forecasting human resource requirements; recruitment and selection; performance management; reward systems; careers and mentoring; HRM outcomes and current issues in HRM. This subject incorporates up-to-date issues and explains the key functions involved in successful management of an organisation's human resources.
<b>Objectives:</b>	<ul style="list-style-type: none"> <li># Develop a basic understanding of the interplay between organizational goals and objectives and human resource management</li> <li># Analyse, discuss, and make recommendations about typical HR issues</li> <li># Apply the course material in organizational settings.</li> </ul>
<b>Assessment:</b>	A 2-hour examination (60%) and assignment(s) totalling not more than 4000 words (40%).
