Contact:	Melbourne Consulting and Custom Programs Level 3, 442 Auburn Rd Hawthorn Phone: 9810 3300 Email: mccp.enquiries@mccp.unimelb.edu.au (mailto:mccp.enquiries@mccp.unimelb.edu.au)								
Course Overview:	The Master of Integrated Freight Systems Management is the capstone course that builds on the Centre's Graduate Certificates and Graduate Diploma programs.								
Objectives:	The course seeks to develop research skills, techniques and insights within a problem-solving framework that addresses a meaningful issue within the context of the freight industry and, preferably, within the candidate's own firm.								
Course Structure & Available Subjects:	Students must successfully complete the equivalent of 150 points to be awarded the Masters. One hundred points will be awarded as credit for successful completion of the Graduate Diploma in Integrated Freight Systems Management at a minimum of 70% plus one of the Graduate certificates from the suite of Freight programs at that level or an equivalent graduate certificate or completion of undergraduate degree or recognition of previous professional experience. The remaining 50 points are awarded for successful completion of a minor thesis of 12,000 – 15,000 words in length.
