Contact:	Academic Programs Office Melbourne School of Population Health Tel: +61 3 8344 9339 Fax: +61 3 8344 0824 Email: sph-gradinfo@unimelb.edu.au
Subject Overview:	The student will provide evidence of having met this goal by presenting a portfolio or minor dissertation made up of a preface and project reports. An outline of the options for the structure of this subject, including supervision and assessment requirements, is available here: www.bca.edu.au/student_info.htm (see Workplace Project Portfolio (WPP) Guidelines). PLEASE NOTE: Adequate supervisory arrangements must be in place before students commence this subject. Students wishing to complete the Masters degree should discuss options for WPP with the course coordinator.
Objectives:	The aim of this subject is that the student gains practical experience, usually in a workplace setting, in the application of knowledge and skills learnt during the coursework of the Master of Biostatistics program, under supervision of an experienced biostatistician.
Assessment:	Portfolio or minor dissertation (approximately 10,000 words) to be marked by two examiners, at least one of whom will be internal to the University of Melbourne.
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
