SCWK70001 Research Method and Major Thesis

graduate research courses. The load or weight varies according to the duration and structure of the course, enrolment status (ie. full-time or part-time), etc. Level: Research Higher Degree Dates & Locations: 2010, Parkville This subject commences in the following study period/s: RHD First Half Year, Parkville - Taught on campus. RHD Second Half Year, Parkville - Taught on campus. Time Commitment: Contact Hours: 24 hours research, seminars and supervision as negotiated with supervisor Total Time Commitment: As negotiated with supervisor Prerequisites: None Corequisites: None Recommended None Recommended None Requirements: It is University policy to take all reasonable steps to minimise the impact of disability upon academic study and reasonable adjustments will be made to enhance a student's participation in the University's courses. Students who think their disability will impact on meeting this requirement are encouraged to discuss this matter with the Course Coordinator and the Disability Liaison Unit. Coordinator: Assoc Prof Lynette Joubert Contact: Social Work Melbourne School of Health Sciences Turkiversity of Melbourne Price (2, 234 Quesneberry St. Cartion Victoria 3010 AUSTRALIA T+61 3 3344 4900. First 3 3344 74375 E's socialwork-enquiries@unimelb.edu.au (mailto:socialwork-enquiries@unimelb.edu.au) W: www.socialwork.unimelb.edu.au (http://www.socialwork.unimelb.edu.au) Subject Overview: In preparation for the thesis, students are required to undertake two seminar series: Research Process in Semester 1 and Thesis Development in Semester 2, each comprising 12 x 2 hour classes, or intensive blocks during the year. The purpose of the series is to introduce students to issues in research epistemology and methodology. To that end, reading and class discussion will focus around issues relevant to the design and analysis of research. At the end of the seminar series, students will be able to demonstrate their ability to conceptualise the research task by completing a research proposal of 2000 words	Credit Points:	N/ACredit points are not assigned to the research thesis subjects that are offered as part of
