Course Overview:	This course is no longer offered. Students who commenced the Bachelor of Planning and Design prior to 2008 should contact a Student Advisor at the Environments and Design Student Centre.
Objectives:	The course aims to: <ul style="list-style-type: none"> # offer studies within the disciplines of the Faculty on a flexible basis to suit individual requirements; # impart general knowledge about the built environment, and a basic capacity to interpret it, analyse it, and write about it; # offer opportunities within the course structure for interdisciplinary and external studies; # ensure that students develop within this framework at least two majors or areas of specialisation.
Course Structure & Available Subjects:	Contact a Student Advisor at the Environments and Design Student Centre for advice.
Entry Requirements:	VCE units 3 and 4 (or equivalent) – a study score of at least 25 in English (any).
Core Participation Requirements:	For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Description, Subject Objectives, Generic Skills and Assessment Requirements of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http://www.services.unimelb.edu.au/disability/
Graduate Attributes:	Refer to http://www.unimelb.edu.au/about/attributes.html
