| Contact: | Celia Pavelieff celiap@unimelb.edu.a (mailto:celiap@unimelb.edu.au) |
| Subject Overview: | This subject examines audience development and retention in arts and cultural activities through a variety of professional techniques including programming and content analysis, analysis of existing and lapsed audiences, as well as exploring and critiquing the effectiveness of conventional marketing tools. Lectures and seminars will address a range of themes underpinning audience development. These include research into attitudes to the arts, economic and social trends that impact on attendance at arts events, and the role of artists as promoters of their own work. |
| Objectives: | <ul style="list-style-type: none"> # be able to understand the principles, processes and techniques associated with audience development and retention in the arts; # be able to manage time effectively in the completion of self-directed research or audience development and retention projects; and # be able to conceptualise appropriate audience development and retention plans and strategies in specific industry context. |
| Assessment: | An assignment of 1000 words 20% (due early semester), an assignment of 1500 words 30% (due during semester), and a final assignment of 2500 words 50% (due at the end of semester). Students are required to attend a minimum of 80% of classes in order to qualify to have their written work assessed. All required written work must be submitted in order to pass the subject. |
| Prescribed Texts: | A subject reader will be available. |
| Breadth Options: | This subject is not available as a breadth subject. |
| Fees Information: | Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees |
