Coordinator:	Dr Lewis Mayo
Contact:	Dr Lewis Mayo lmayo@unimelb.edu.au
Subject Overview:	This subject explores the interlocking themes of identity and ideology in a variety of Asian contexts. It examines how the ways in which people define themselves - 'identities'- are affected by socially-structured systems of thought - 'ideologies'. National ideologies and identities from across the Asian region will be explored in conjunction with study of ethnic, religious, class, gender, and regional forms of identity and ideology.
Objectives:	<ul style="list-style-type: none"> # To understand problems of ideology and identity in a range of Asian societies # To understand key theoretical concepts in the humanities and social sciences -namely those of ideology and identity - and to use those concepts in the analysis of social and cultural phenomena # To understand the impact of national and other ideologies and identities on the world in which we live
Assessment:	Research essay, 2,000 words, 30% (due mid-semester), research essay 3,000 words (due during the exam period) 55% and regular seminar participation, including presentation of original research 15%. Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
