Further details on the disability support scheme can be found at the HDisability Liaison Unit websiteH: Hhttp://www.services.unimelb.edu.au/disability/H
Coordinator:	Assoc Prof Raymond Misson, Prof John Polesel
Contact:	Education Student Centre
Subject Overview:	An individually negotiated project relating to education, in which the student undertakes a theoretical study (eg., a substantial critical review of a particular body of literature), a research project relating to educational practice, or an approved program of professional development at an appropriate level. The student will negotiate a contract with the supervisor, clearly specifying the outcomes and the criteria on which the work will be judged.
Objectives:	On completion of this subject students should be able to: <ul style="list-style-type: none"> # demonstrate their knowledge of a particular area of concern in education; # place the area in a larger theoretical context of the relevant research literature; # demonstrate a capacity to engage in reflective, critical discussion of the area examined.
Assessment:	A project of 10,000 words or equivalent (100 per cent), due in the examination period. The nature of the project work submitted for assessment will depend on the type of negotiated project undertaken. It may take the form of an essay, report, reflective journal or extensive literature review.
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	On completion of this subject students should have: <ul style="list-style-type: none"> # Respect for truth, intellectual integrity and ethical behaviour; # Intellectual curiosity and creativity;

	# An understanding of the relationship between theory, research and classroom practice; # A capacity to articulate knowledge and understanding in written presentations.
