Subject Overview:	The professional practice and seminar program provides an integrated focus on the subjects in each semester and addresses the teacher candidates' developing understandings of professional knowledge, professional practice and professional engagement. This subject is the vehicle for practical experience in kindergarten and childcare settings. Teacher candidates are mentored by experienced early childhood specialists in collaboration with teaching fellows and clinical specialists who are engaged in the on-campus teaching program. The professional practice seminars support teacher candidates' ongoing learning about how theory informs practice. The seminars provide opportunities to examine theoretical frameworks and associated practical tasks that have been assigned during the placement to assist candidates to develop knowledge about contexts, curriculum and relationships in early childhood services. Seminars will involve class presentations, assessment tasks and in-depth reflection on theory and practice in early childhood.									
Objectives:	<p>On completion of this subject teacher candidates should be able to:</p> <ul style="list-style-type: none"> # Apply professional criteria to their own teaching and professional activity # Synthesise their theoretical and practical understandings of teaching in early childhood contexts # Use constructive criticism and discussion to evaluate and reflect on values and practices in relation to their professional practice # Communicate effectively with other professionals, parents and children 									
Assessment:	There are 2 assessment tasks: Portfolio of evidence of practice end of semester. (35%) Satisfactory teaching performance in the placement setting (65%) There are 2 hurdle requirements: Attendance on all days of placement Attendance at all practicum seminar sessions
