Subject Overview:	The Professional Practice and Portfolio subjects provide the arena in which all the other subjects in the program are integrated into the Associates' developing expertise as a classroom teacher, and their developing understandings of professional knowledge, professional practice and professional engagement and social context of the school. This subject focuses on the associate's awareness of the characteristics of knowledge, practice and professional engagement for professional accountability in teaching, and on deepening their understanding of the use of assessment for tracking student learning more closely to inform teaching for individual student's learning needs. Associates will continue to add to their portfolio evidence of their professional development as teachers.															
Objectives:	On completion of this subject Associates should be able to: <ul style="list-style-type: none"> # Demonstrate their capacity to use a range of strategies to establish a positive and inclusive learning environment; # Establish a safe and productive learning environment with clear expectations for student behaviour; # Use a range of strategies to assess and monitor student learning needs and use this to inform teaching, to report on student learning and provide feedback to students; # Independently access and manage a range of learning and teaching resources including technologies to support their specialist area in teaching; # Locate their professional practice within Standards for Graduate Teachers; # Plan and implement strategies to support their professional growth; # Engage effectively with parents and other members of the broader community who are stakeholders in education. 															
Assessment:	Teaching performance and professional engagement in the school (60 per cent) Development of a professional practice portfolio and participation in the practicum exhibition, consisting of at least five artefacts demonstrating excellence in teaching (40 per cent) 2500 words.															

Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
