Contact:	Dr Michael Ewing mce@unimelb.edu.au
Subject Overview:	This subject should enable students to understand the dynamic of political Islam in the present Indonesia. Students will also study the history of the Islamic movement during the colonial period and after independence in order to understand Islam as a political force within the wider context of domestic political and economic development, as well as the increasing role of Islam in the world. Students will study the changing value orientation of Muslim youth living in the cities, and the dynamic of the pesantren (the Islamic education institution) which exists mostly in rural Java.
Objectives:	<ul style="list-style-type: none"> # gain an understanding of the dynamic of political Islam in the present Indonesia. This dynamic has something to do with the more general political and economic development in this country, as well as the increasing importance of Islam as a global political force; # be able to understand the increasing tension between the Muslim community and the modern state dominated by the military, as well as the increasing numbers of riots using the banner of Islam; # understand the history of the Islamic movement during the colonial period and after the independence will also be discussed while mainly concentrating on the current affairs of the political Islam.
Assessment:	A written test 2000 words, 45% (due mid-semester) , an essay 2000 words 45% (due during the exam period) and class participation 10% (throughout the semester).Class attendance is required for this subject; if you do not attend a minimum of 75% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Materials supplied by the Institute.
Recommended Texts:	None.
