Subject Overview:	Students enrolled in this subject will complete a six week (full time equivalent) internship with an external organisation. Students will be supervised by the Subject Coordinator in collaboration with a designated party at the organisation that is hosting the internship. Students will work across a range of tasks relevant to that organisation's objectives, and will develop and complete a specific project in discussion with the host organisation and the Subject Coordinator. The project will be presented at a special workshop at the end of the semester. The Internship experience will enable students to extend and apply the knowledge acquired through the EMA coursework subjects, will provide students will a valuable professional experience, and will extend their professional networks.						
Objectives:	<p>Consistent with the overarching objectives of the EMA, students will:</p> <ul style="list-style-type: none"> # Learn to work effectively in a professional environment. # Apply and extend knowledge obtained through prior completion of EMA subjects in a professional setting. # Learn to work autonomously on a range of tasks. # Develop project management skills. # Effectively communicate results of the project to the host organisation and to an academic audience. 						
Assessment:	Four assessment tasks equivalent to 8000 words to be comprised of the following tasks: 1. A 1000 word description of the host organisation, its purposes, its internal structures and its relationship to other organisations and stakeholders, worth 15 per cent of the final mark, due within two weeks of starting the internship. 2. A project for the host organisation, equivalent to 4500 words and worth 55 per cent of the final result, to be assessed by the Subject Coordinator, in consultation with the host organisation, due within two weeks of the completion of the internship. 3. A formal oral presentation of the project, equivalent to 1000 words and worth 15 per cent of the final result, at a special workshop for the Internship host organisations, EMA interns and EMA staff, at the end of the semester. 4. A 1,500 word journal that documents and
