Subject Overview:	Recital 1 (Part-Time), undertaken over two semesters of candidature. For Instrumental/Vocal Students: To prepare for performance a solo recital program. Programs are to be of normal concert length and include major works from the relevant vocal or instrumental repertory. The proposed program, including the names of any associate artists, is to be submitted for the approval of the Graduate Studies Committee well in advance of the recital. For Conducting Students: To prepare a Faculty ensemble (as determined in consultation with the Dean, the supervisor and student) for a concert performance. Programs are to be of normal concert length and include works that demonstrate a diversity of conducting skills. The proposed program, including the names of associate artists, is to be submitted for the approval of the Graduate Studies Committee well in advance of the concert. To prepare for performance a solo recital program. Programs are to be of normal concert length and include major works from the relevant vocal or instrumental repertory. The proposed program, including the names of any associate artists, is to be submitted for the approval of the Graduate Studies Committee well in advance of the recital.
Objectives:	For Instrumental/Vocal students: During this subject, students can expect to broaden their experience and understanding of musical performance and extend their musical repertory. For Conducting students:

	During this subject, students can expect to develop their conducting, score-reading and aural skills and extend their musical repertory.
Assessment:	A public performance of the works studied to the satisfaction of the examiners appointed pursuant to Statute 12.1. Students are to write their own program notes to be assessed as part of, and together with, the performance. A draft of the Program Notes must be submitted by the end of Week 10. Recital examinations are scheduled during the day time at the conclusion of each semester.
Prescribed Texts:	A Guide to Writing Program Notes is available online at: http://www.music.unimelb.edu.au/research/notes.html
Breadth Options:	This subject is not available as a breadth subject.
