Subject Overview:	This subject explores the ideologies and actions associated with contemporary social movements that operate on a global scale and have attracted international attention, such as anti-globalisation, indigenous, labour, women's rights, green, human rights, radical Islam and anti-war movements. It examines the conflicts in which these movements are engaged and interrogates the extent to which their grievances are caused or inspired by globalisation. It analyses the impact of globalisation on transnational social movement strategies and tactics. and assesses the role of global social movements in transforming politics and society.
Objectives:	Students who successfully complete this subject should <ul style="list-style-type: none"> # have an understanding of the development, motives, arguments and strategies of the principal social movements in the international arena. # be aware of the details and specific experiences of at least one significant global movement.
Assessment:	A 1-hour class test of 1000 words (25%) during semester, and a research essay of 3000 words (75%) due during the examination period. This subject has a minimum Hurdle Requirement of 75% Tutorial attendance. Students who fail to meet this hurdle requirement will be deemed ineligible to submit the final piece of assessment or sit the final examination. Regular participation in tutorials is required. Assessment submitted late without an approved extension will be penalised at 10% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	A subject reader will be available for purchase from the University Bookshop.
