<b>Coordinator:</b>	Assoc Prof Carol Hulbert											
<b>Contact:</b>	Sarah Drew sarah@unimelb.edu.au											
<b>Subject Overview:</b>	<p>This component is organised around three major areas: theoretical foundations of ethics; ethical problems and the application of ethical principles to practice, and legal and institutional regulations; and codes of practice and guidelines. The exploration, clarification and possible resolution of selected ethical dilemmas commonly faced by psychologists will be covered and may include:</p> <ul style="list-style-type: none"> <li># psychologist/client relationships (for example, confidentiality, boundary violations, assessment of dangerousness, patient and client rights, professional responsibility, special groups, such as children, employer-psychologist ethical differences);</li> <li># psychologist/institutional relationships (eg. state regulation of professional practice, legal requirements, certification, mandatory reporting, guardianship, unprofessional conduct);</li> <li># research ethics, and personal ethical development.</li> </ul>											
<b>Objectives:</b>	Students will be given the opportunity to become familiar with the ethical codes and guidelines of the APS and the Victorian Psychologists Registration Board and the operation of their regulating bodies; explore in depth, within the context of ethical practice, professional issues related to working with clients or patients, other professionals, employers and employees and institutions and organisations; become familiar with current ethical theories as they relate to professional practice and proficient in analysis of ethical issues and problems that psychologists are likely to encounter in their professional practice; and develop a personal conceptual framework for approaching ethical and professional issues.											

<b>Assessment:</b>	A mid-semester written assignment of 500 words based on case related material provided in class and related to an ethical dilemma or issue (20%)An en-of-semester essay of 2000 words (80%)
