Contact:	Eastern Precinct Student Centre The Eastern Precinct (building 138) (between Doug McDonnell building and Eastern Resource Centre) <i>Enquiries</i> Phone: 13 MELB (13 6352) Email: 13MELB@unimelb.edu.au (mailto:13MELB@unimelb.edu.au)
Subject Overview:	This subject provides the student with a set of basic skills with which to tackle first year science subjects and make an effective transition to university studies. The program includes assistance for students in the following areas: <ul style="list-style-type: none"> # challenges of first-year university; # lecture note taking; # preparation for workshops, tutorials and practical classes; # time management; # independent learning techniques; # how to seek assistance from academic staff and Student Centre staff; # raising awareness about support systems on campus; and # creating early links for students to fellow students. All participating students will have the opportunity to participate in a study group which will meet for one hour a week for the semester with other first year students and a student facilitator. The study groups will provide an environment for students to learn co-operatively.
Objectives:	This subject aims to provide the student with a set of basic skills with which to tackle first year science subjects and make an effective transition to university studies.
Assessment:	None
