| Overview: | Indonesian language subjects are organised in a progressive sequence (of units) from Indonesian 1 through to Indonesian 6, with 4 additional advanced units. Entry points are determined by the student's background in the language, placement testing, prerequisites, or at the discretion of the Indonesian program. Students normally progress through the subjects in consecutive order. Mid-year entry is also possible into subjects with even numbers, subject to appropriate prior experience and approval from the convener of the Indonesian program. | | | | | | | | | |
