Overview:	<p>Please note: There will be no first year intake into the Swedish program from 2011.</p> <p>Swedish is a small language from a country that punches well above its weight in the creative and industrial spheres: Ikea, Saab and Nudie Jeans all originated in Sweden. It is one of the world's largest exporters of music, and as a global leader in engineering, medicine and environment, Sweden is perfect for student exchanges. Melbourne is the only university in the Southern Hemisphere that offers study in Swedish language and culture from beginners to advanced levels.</p>
