| <b>Overview:</b>                                   | <p>The minimum entry requirement for geography honours is completion of all the requirements for the BA, with a major in geography, and an average grade over the second/third year subjects within the major equivalent to at least an H2A (75%). Students should note that the geography program offers a pure honours stream only.</p> <p>It is not possible to complete honours in geography on a part time basis. Students must complete the honours year full-time over two consecutive semesters of study.</p>   |                |                            |                |  |                        |    |  |                        |       |         |                            |                |  |                        |       |         |                            |                |  |            |       |                                   |            |       |                    |      |       |
