Overview:	<p>The DL provides students with the opportunity to gain a Diploma in Indonesian language while completing an undergraduate degree at the University of Melbourne. The Diploma is a three-year sequence of first, second- and third-year language study and may add up to one year to the duration of the student's degree course. Three streams are offered: Beginners, Post VCE and Advanced (students with an Indonesian speaking background).</p> <p>Indonesian language subjects are organised in a progressive sequence (of units) from Indonesian 1 through to Indonesian 6. Entry and exit points are determined by the student's background in the language, placement testing, prerequisites, or at the discretion of the Indonesian program. Students normally progress through the subjects in consecutive order. Mid-year entry is also possible into subjects with even numbers, subject to appropriate prior experience and approval from the convener of the Indonesian program.</p>
