Overview:	<p>The DL provides students with the opportunity to gain a Diploma in Italian language while completing an undergraduate degree at the University of Melbourne.</p> <p>Italian</p> <p>Italian language subjects are organised in a progressive sequence (of units) from Italian 1 through to Italian 6 and beyond. Entry and exit points are determined by the student's background in the language, placement testing if required, prerequisites, or at the discretion of the Italian Program. Students normally progress through the subjects in consecutive order. Mid-year entry is also possible into subjects with even numbers, subject to appropriate prior experience and approval from the head of the Italian program. Accelerated progression is possible on advice from the Italian Program.</p>									
Objectives:	<i>See course objectives.</i>									
Structure & Available Subjects:	<p>The Diploma consists of a three-year sequence of first-, second- and third-year language study and may add up to one year to the duration of the student's degree course. <i>See the Diploma course structure for details.</i></p> <p>Italian</p> <p>A 100-point diploma sequence is available.
