Core Participation Requirements:	<p>The Melbourne Law Masters welcomes applications from students with disabilities. The inherent academic requirements for study in the Melbourne Law Masters are: The ability to attend a minimum of 75% of classes and actively engage in the analysis of complex materials and debate; The ability to read, analyse and comprehend complex written legal materials and complex interdisciplinary materials; The ability to clearly and independently communicate in writing a knowledge and application of legal principles and interdisciplinary materials and critically evaluate these; The ability to clearly and independently communicate orally a knowledge and application of legal principles and interdisciplinary materials and critically evaluate these; The ability to work independently and as a part of a group; The ability to present orally and in writing legal analysis to a professional standard. Students who feel their disability will inhibit them from meeting these inherent academic requirements are encouraged to contact the Disability Liaison Unit: www.services.unimelb.edu.au/disability/</p>
Graduate Attributes:	<p>Advanced understanding of the changing knowledge base in the relevant area of lawThe specialist focus of the Melbourne Law Masters, the constant review and renewal of subjects and courses, the range and expertise of instructors from Australia and around the world, and regular advice from our advisory boards combine to ensure that courses and subjects reflect emerging knowledge and ideas Ability to evaluate and synthesise existing knowledge in the areaSmall classes, a discussion-based environment and the emphasis on quality teaching and learning create an environment in which knowledge is exchanged, critically examined and adapted to current circumstances Well-developed problem solving abilities, characterised by flexibility of approachMost subjects approach knowledge by reference to various issues or problems. Students are encouraged to critically analyse problems and identify and develop a range of appropriate solutions through class discussion, individual study and assessment tasks. Advanced competencies in legal research and analysisClass preparation and class discussions are designed to enhance these skills, which are tested in all forms of assessment. Capacity to communicate, orally and in writingClassroom discussion and formal presentations provide an opportunity to hone oral communication skills, and written assessment tasks are graded in part on written communication skills. Appreciation of the design, conduct and reporting of original researchResearch papers and other research tasks are expected to attain a degree of originality and discovery that befits a quality postgraduate program, and students are encouraged and assisted to publish work of a high standard in refereed journals. Capacity to manage competing demands on timeThe demanding nature of graduate study requires effective time-management skills from all students. The rigour of our programs, whether undertaken part-time or full-time, ensures that all successful graduates have enhanced time-management skills. Profound respect for truth and intellectual integrity, including the ethics of scholarshipSome subjects have a substantive ethical component. All instructors have a respect for intellectual integrity and are skilled scholars or practitioners in their own right. Appreciation of the way in which knowledge provides a foundation for leadershipInstructors in the Melbourne Law Masters are leaders in their fields, and many subjects involve visiting academics, exposing students to a wider array of</p>

	<p>leaders in a range of legal fields. The Law School is committed to the significance of knowledge, which informs all regular programs and a wide range of additional activities. Capacity to value and participate in teamworkSmall class sizes and an intensive teaching format are valuable in encouraging group dynamics and teamwork. Understanding of the significance and value of knowledge to the wider communityLaw and legal knowledge are a community resource. In some subjects, this perspective is covered explicitly by the syllabus and the manner in which issues are treated in class. In addition, our diverse student body ensures that a range of perspectives on the way law impacts on the community are identified and analysed. Capacity to engage with issues in contemporary societyOur programs focus on the most up-to-date legal knowledge, analysing current issues and problems through the curriculum design, classroom discussion and assessment tasks. International students are also invited to participate in extracurricular activities to aid understanding of Australian law and legal institutions. Advanced working skills in the use of new technologyThe most advanced IT infrastructure is available to Melbourne Law Masters students in the Law Library, the Moot Court Room, classroom settings and for private study.</p>
Professional Accreditation:	By satisfactorily completing appropriate subjects, a suitably qualified person may be accredited with satisfying all topic groups required for admission as a trade marks attorney, and all of the groups necessary for admission as a patent attorney. Applicants seeking registration as a patent attorney and/or trade marks attorney should indicate this on acceptance of your offer and seek advice from the PSB and the Law School on subject selection at the time of enrolment.
