Subject Overview:	This subject examines developments in modern Chinese literature from the Literary Revolution to the present with a focus on the contemporary period. Students will study Chinese texts in class as well as read widely for the lecture. By the end of the subject students should be able to demonstrate an understanding of the major developments in modern Chinese literature since the Literary Revolution and of popular literature in Contemporary China. They should also be able to demonstrate an acquaintance with the works of a number of significant 20th century writers.
Objectives:	<ul style="list-style-type: none"> # be able to demonstrate an understanding of the major developments in Modern Chinese Literature since the Literary Revolution and of the ideological issues involved. # be able to demonstrate an acquaintance with the works of a number of significant twentieth century writers. # acquire skills to critically analyse an issue in a Chinese context.
Assessment:	Class exercises (weekly) 20%, an essay of 1500 words 30% (due late semester) and a 2-hour examination 50% (due during the examination period). Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Subject readers will be available from the University Bookshop.
Recommended Texts:	None.
