Subject Overview:	The focus of this subject is on generative performance strategies for devising original performance. Areas covered will include the translation of an initial idea, source material or other impetus, through a process of exploration, imagination, creation and structuring, to arrive at performance material that is then witnessed, experienced and interpreted by the spectator. This subject will culminate in the creation of a short performance text.											
Objectives:	This subject enables students to: <ul style="list-style-type: none"> • develop the skills of story telling: making offers, advancing meaning, physical and vocal association; • utilise action and improvisation as a way of opening up an imaginary world; • work with initiative and generated ideas on the floor; • work with body, sound, word, space and light in an integrated way; 											

	<ul style="list-style-type: none"> • focus and commit to the working process; • receive and implement direction; • work effectively alone and in small groups unsupervised; • take responsibility for themselves as performer and for their performance.
Assessment:	<p>Practical Studio Class Work 50% (Focusing on achievements against set criteria in areas such as: developing a methodology, transference of skills into performance and professional attitude and commitment.) Practical assessment of assigned tasks in group presentations 30% End of semester Reflection Paper 20% End of semester Hurdle requirements: Students must attend 80% of all scheduled classes and attempt all elements of assessment to be eligible for a pass in this subject.</p>
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>On completing this subject students will be able to:</p> <ul style="list-style-type: none"> • creatively solve problems; • work confidently in the unknown; • trust the work process in which they are involved; • initiate ideas and to put them into practice; • collaborate in a team; • work autonomously; • transfer conceptual thinking into practice.
