Contact:	Education Student Centre		
Subject Overview:	<p>This subject is focused on extending the work you did in HPE 1 associated with childcare and kindergarten to the primary school setting. There are two main features of this subject: (1) Teaching physical education in the primary school, and (2) Health as an issue in primary schools.</p> <p>Each of these features is central to a comprehensive approach to health and physical education in the primary school. This subject involves students in practical experiences in teaching PE through tutorials, including exploring a variety of PE models. Lectures and online assessment activities focus on health issues in primary school.</p>		
Objectives:	Information not available		
Assessment:	There are three pieces of assessment: Online quizzes running weekly for 8 weeks. These will commence in the second week of classes. 20 per cent of the total mark.
