Coordinator:	Dr Jane Orton												
Contact:	Education Student Centre												
Subject Overview:	The subject introduces the range and purposes of ICT in modern languages education and requires particular engagement with applications which assist Chinese language teachers to produce material of their own; to open computer based language learning resources including the Web to their students so they can spend more time on Chinese independently; and to develop social networking among teachers and among students, here and in China.												
Objectives:	Students in this subject will develop their ability to <ul style="list-style-type: none"> # understand the Chinese language education potential of technological applications # make effective use of technological applications to teach so that students become independent learners of Chinese using technology # initiate a web-facilitated relationship with a teacher and class of students of Chinese in another school # work collaboratively within and across cultures in professional activities # work flexibly with a wide range of on-line resources and applications, all transferable to their own teaching. 												
Assessment:	Weekly participation in Discussion Forum activities, equivalent to approximately 1000 words. 40% Assignments comprising weekly tasks involving choice of texts, text analysis, research information on authors and content, and creative practice design, equivalent to approximately 1500 words 60%												

Prescribed Texts:	Online readings
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	Students in this subject will be enabled to develop <ul style="list-style-type: none"># a flexible learning approach# the habit of critical reflection# awareness of ethnocentricity and the means to develop towards ethnorelativity# the ability to lead in innovative practice
Related Course(s):	Specialist Certificate in Chinese Language Teaching
