Subject Overview:	This subject consists of 1 hour lecture, 1 hour tutorial and a 1-hour language seminar. Students will be introduced to important cultural, literary and linguistic aspects of the German language. Students will be given the opportunity to develop topics of interest within these general areas and will be introduced to a variety of specialist terminology. In the language seminar students will learn the skills to read and interpret more complex texts in German and will reflect on these texts at a sophisticated level in both written and spoken German. Students should achieve the level of competency required for admittance into German Post-Intermediate 3A and German Post-Intermediate 3B.
