Subject Overview:	This subject consists of intensive language instruction which is particularly directed towards developing students' skills in writing academic German. Problems of German grammar occurring at a superior level of the language will be explored alongside a discussion of the technical aspects of scholarly writing in German. This subject is particularly useful for students who are preparing theses or longer essays in German.
Objectives:	<ul style="list-style-type: none"> # gain an understanding of writing conventions when preparing scholarly work in German. # gain superior level language skills in the German language and the capacity to apply them accurately when writing academic German.
Assessment:	A 1000-word class paper 30% (due during the semester), and an essay of 4000 words 70% (due at the end of the semester). This subject has the following hurdle requirements: Regular participation in tutorials is required with a minimum of 75% attendance. All pieces of written work must be submitted to pass this subject. Assessment submitted late without an approved extension will be penalised at 10% per day and in-class tasks missed without approval will not be marked.
Prescribed Texts:	none
Breadth Options:	This subject is not available as a breadth subject.
