Corequisites:	N/A						
Recommended Background Knowledge:	N/A						
Non Allowed Subjects:	N/A						
Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Description, Subject Objectives, Generic Skills and Assessment Requirements of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http://www.services.unimelb.edu.au/disability/						
Contact:	<p>Melbourne School of Land & Environment Student Centre Ground Floor, Land & Food Resources (building 142)</p> <p><i>Enquiries</i> Phone: 13 MELB (13 6352) Email: 13MELB@unimelb.edu.au (mailto:13MELB@unimelb.edu.au)</p>						
Subject Overview:	This subject will describe a range of propagation methods for ornamental and cultivated plants. Students will apply specific plant propagation methods and techniques for the multiplication of cultivated plants in containers and field environments. Content includes principles and practices of propagating plants by seed, cuttings, grafting, division, layering and micro-propagation.						
Objectives:	Information Not Available						
Assessment:	One two-hour written examination (40%), two written assignments equivalent to 5000 words 60% (one due mid-semester, one at the end of the semester).						
Prescribed Texts:	Information Not Available						
Recommended Texts:	<ul style="list-style-type: none"> # Growing Media for Ornamental Plants and Turf (K A Handreck and N D Black), 3rd edn, NSW University Press, 2002 # Hartmann and Kester's Plant Propagation Principles and Practices (H T Hartmann, D E Kester, F Davies and R L Geneve), 7th edn, Prentice-Hall Inc, Upper Saddle River, New Jersey, 2002 						
Breadth Options:	This subject potentially can be taken as a breadth subject component for the following courses: # Bachelor of Commerce (https://handbook.unimelb.edu.au/view/2012/B-COM)						

	You should visit learn more about breadth subjects (http://breadth.unimelb.edu.au/breadth/info/index.html) and read the breadth requirements for your degree, and should discuss your choice with your student adviser, before deciding on your subjects.
