<b>Subject Overview:</b>	This subject equips students with the drawing skills necessary for the development of a small-scale design and with the graphic skills necessary to illustrate and document the design to a concept design stage. Sketch design skills will be developed through a series of class graphics exercises. These individual skills will be incorporated into a full graphic presentation of a small-scale design.						
<b>Objectives:</b>	Information Not Available						
<b>Assessment:</b>	Practical graphic exercises - the equivalent of five A3 drawings completed during the semester (50%), one major assignment (a design portfolio) due at the end of the semester (50%). Hurdle requirement - to pass the subject students must receive a pass grade in the major assignment.						
<b>Prescribed Texts:</b>	Information Not Available
