Subject Overview:	Students will expand and deepen their understanding Indonesian society and develop their ability to communicate progressively more complex ideas in Indonesian. Topics covered may include challenges facing the new generation, migrant workers, contemporary nationalism and tackling environmental problems. Authentic materials such as short stories and media reports – and the key issues these materials raise – will be investigated through increasingly sophisticated Indonesian language use in class discussions, presentations and essays and short translation exercises.
Objectives:	At the end of this subject students will: <ul style="list-style-type: none"> # be able to use Indonesian to present summaries of and critical commentaries on issues raised in prescribed texts; # be able to express opinions in Indonesian through writing and orally on topics relevant to the study of Indonesia; # have expanded their knowledge of grammar appropriate for formal writing styles;

	<p># be able to translate short literary excerpts from Indonesian to English with the aid of a dictionary;</p> <p># gain an understanding of various issues that inform contemporary Indonesian society.</p>
Assessment:	Three essays, 500 words each 10% each (due early, mid and late semester) 30%, 10-minute in-class oral presentation (mid-semester) 10%, one 500-word analytical essay in English (end of semester) 10%, 10-minute oral examination (during examination period) 10%, a 2-hour written examination (during examination period) 40%. Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Materials supplied by the Institute.
Recommended Texts:	None.
