<b>Subject Overview:</b>	Students enrolled in this subject will be assisted to find a placement in a professional working environment. They will work between 100 to 200 hours under the guidance of a senior staff member, with additional support from weekly seminars and regular contact with the subject co-ordinator. As well as taking part in the host organisation's day-to-day work, students will undertake a research project of concrete and practical benefit to the host organisation or the broader industry. The research topic will be negotiated between the student, the organisation's management and the subject co-ordinator. Students will gain direct exposure to professional practice in their chosen field. The subject is to be completed over two consecutive semesters and students must enrol in the subject in each semester to ensure they are meeting the full 25 point requirement for the year-long subject.						
<b>Objectives:</b>	Upon successful completion students will have:						

	<ul style="list-style-type: none"> <li># acquired an extensive knowledge of the conditions, cultures and practices of a range of workplaces;</li> <li># developed skills in conducting effective and timely research, analysis and report-writing;</li> <li># gained practical vocational experience in an industry setting;</li> <li># applied professional concepts, frameworks and techniques in a vocational setting;</li> <li># gained significant insight into the complexities of professional decision making and management; and</li> <li># developed a capacity to critically evaluate their experience and to share their findings through written and oral reports.</li> </ul>
<b>Assessment:</b>	Written work or equivalent to 8500 words 80% (due at the end of the internship), and a 1500 word reflective journal assignment 20% (due throughout the internship).
<b>Prescribed Texts:</b>	A subject reader will be available from the University Bookshop as well as an online version via the subject's LMS website.
