Subject Overview:	This unit covers selected issues in contemporary epistemology and metaphysics. We will focus on a particular philosophical issue (for example, a topic in fundamental ontology, or in the philosophy of knowledge, in theories of meaning), and look at contemporary work addressing this issue, covering both metaphysics and epistemology.
Objectives:	Students who successfully complete this subject will: <ul style="list-style-type: none"> # show an understanding of selected issues in contemporary epistemology and metaphysics. # manifest philosophical skill in arguing in an alert and well informed way for conclusions related to these issues. # display acquaintance with some important past contributions to the discussion of those issues. # indicate an awareness of how the subject matter is related to broader concerns in contemporary philosophy. # acquire the ability to locate issues concerning epistemology and metaphysics. # learn to evaluate sophisticated arguments offered in the literature.
Assessment:	A 5000-word research essay 100% (due at the end of semester). Hurdle Requirement: Students are required to attend a minimum of 75% of classes in order to pass this subject. Regular participation in class is required. Assessment submitted late without an approved extension will be penalised at 2% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	A reading list will be issued at the beginning of semester.

Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>Students who successfully complete this subject will:</p> <ul style="list-style-type: none"> # be able to understand both the heart of a philosophical issue and its broader implications. # have learnt to form a critical understanding of philosophical texts. # have developed their skills to construct rigorous philosophical arguments.
