<b>Contact:</b>	Nossal Institute for Global Health Alan Gilbert Building Level 4, 161 Barry Street Tel: +61 3 8344 9138 / 8344 0912 Email: m.urban@unimelb.edu.au OR Academic Programs Office Melbourne School of Population Health Tel: +61 3 8344 9339 Fax: +61 3 8344 0824 Email: sph-gradinfo@unimelb.edu.au
<b>Subject Overview:</b>	This subject provides an overview and practical guidelines to address international child health issues, including acute respiratory illness, diarrhoea diseases, peri natal conditions, nutritional deficiencies, and communicable diseases. These issues will be presented from the perspective of public health practice in a range of countries. The subject will highlight the lifecycle approach and association with other stages of development, particularly the health of the mother and the role of family and community practices.
<b>Objectives:</b>	On completion, students should be able to <ul style="list-style-type: none"> <li># Describe the most important global causes of childhood mortality and morbidity;</li> <li># Understand the broader social determinants of health;</li> <li># Describe the global frameworks, institutions, and current programs, including WHO, UNICEF, development banks and global funds;</li> </ul>

	<ul style="list-style-type: none"> <li># Understand the current strategies for prevention and management of important causes of childhood illness, including their evidence base;</li> <li># Identify new approaches to the promotion of child development and child human rights;</li> <li># Understand effective child public health program development; and</li> <li># Identify priorities for research in international child health.</li> </ul>
<b>Assessment:</b>	A group work presentation during the teaching period (20%), one take-home exam on the last day of the subject and due 10 days later (30%), and one essay of up to 3,000 words due five weeks after the completion of the subject (50%).
<b>Prescribed Texts:</b>	Students will be given a set of readings at the commencement of the subject.
<b>Breadth Options:</b>	This subject is not available as a breadth subject.
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
