<b>Overview:</b>	<p>The minimum entry requirement for Development Studies honours is completion of all the requirements for the BA, with a major in Development Studies and an average grade over the second/third year subjects within the major equivalent to at least an H2A (75%). It is not possible to complete honours in Development Studies on a part time basis. Students must complete the honours year full-time over two consecutive semesters of study.</p>							
<b>Objectives:</b>	<p>The Honours program is an advanced level of study designed to allow students to specialise their knowledge across one area of study (Pure Honours) or two (Combined Honours). Students accepted into the program undertake Fourth Year level subjects and a short research thesis and must achieve honours-level grades (minimum 65%-H3) for each component of assessment in order to qualify for the award.</p> <p>Students who graduate with Honours in the Bachelor of Arts at Melbourne receive a passport to a world of opportunities. The degree provides students with the scope to refine their analytical skills and research techniques while significantly expanding the range of options available after graduation.</p> <p>The opportunity to specialise provides a strong foundation for the future direction of graduates, whether as a means of progressing to higher degree research in Arts at the Masters or PhD level, or improving the scope of employment options and professional advancement. Students with Honours from Melbourne Arts record exceptionally high rates of satisfaction with the professional and academic directions they pursue beyond graduation.</p>
