

200 Point Master of Journalism

Year and Campus:	2013											
Coordinator:	Associate Professor Margaret Simons Email: m.simons@unimelb.edu.au											
Contact:	<p>The Graduate School of Humanities & Social Sciences Email: arts-gradstudies@unimelb.edu.au (mailto:arts-gradstudies@unimelb.edu.au)</p>											
Overview:	<p>The program is designed for students who are interested in pursuing careers in journalism and journalism-related fields, and for journalists and other professional practitioners working in the contemporary media industry who wish to develop additional advanced skills and knowledge.</p> <p>The program teaches the full range of journalism skills and critically engages with the professional conventions of journalism, with ethical and legal issues that impact on journalism, and with contemporary questions such as how new media technologies influence journalism practices.</p> <ul style="list-style-type: none"> # Learn real-world skills from leading industry practitioners. # Engage with important and challenging issues facing the Australian and global media industries. # Gain a theoretical and practical grounding in issues such as civics, governance, citizenship, and leadership. # Investigate key concepts that frame recent developments in fields such as media law, management theory, globalisation, health policy, and climate change. # Undertake an internship with an external organisation, and gain valuable practical experience and extend your professional networks. 											
Objectives:	<p>This program will:</p> <ul style="list-style-type: none"> -place its primary emphasis on training mid-career journalists who want to build on their existing skills and knowledge; -reflect on professional issues they face, and develop new and innovative forms of practice; -link theory and practice in a way that has not been achieved in graduate programs at other universities; -explore the issues that will shape the world of the 21 st Century and to equip students with the knowledge and skills to be successful in that world; -take a real-world profession-based approach to delivery, through the use of case-based teaching and the production of high quality journalism by students; -use flexible delivery modes including intensives and after-hours contact so as to ensure that the program is accessible to working students. 											
Structure & Available Subjects:	<ul style="list-style-type: none"> # 4 compulsory subjects – 62.5 points # 11 elective subjects - 137.5 points <p>OR</p> <ul style="list-style-type: none"> # 4 compulsory subjects – 62.5 points # JOUR90012 Journalism Project – 37.5 points # 8 other electives – 100 points
