

Animal Cell Biology (specialisation of Cell and Developmental Biology major)

Year and Campus:	2013																																													
Coordinator:	See Cell and Developmental Biology major																																													
Contact:	See Cell and Developmental Biology major																																													
Overview:	Animal Cell Biology specialisation within the Cell and Developmental Biology major																																													
Objectives:	See Cell and Developmental Biology major																																													
Structure & Available Subjects:	Completion of 50 points of study at Level 3.
