| Course Overview: | <p>The Diploma in General Studies: Your stepping-stone</p> <p>The Diploma in General Studies is a sampler of the Melbourne Bachelor Degrees, providing you with the opportunity to study Science, Commerce, Agriculture or Environments. It gives you the breathing space of a year to decide what you want to do next and provides a stepping stone to a meaningful outcome – whether that is employment, or further study in a University of Melbourne degree or TAFE program.</p> <p>The Diploma is aimed at both school leavers and mature students in the Hume region. It is designed to provide a pathway to reduce educational entry and financial barriers to higher education by offering flexible education in regional Victoria. The course facilitates the transition to higher education through the provision of a supportive learning environment specifically designed to develop the academic skills required for success at University.</p> <p>The course framework provides students with broad study options and the opportunity to experience a range of discipline areas . Depending on subject choice and academic results, graduates may satisfy the entry requirements for a range of bachelor degrees, in Science, Commerce, Environments and Agriculture.</p> <p>The course will be taught at Melbourne University's Dookie Campus and, in collaboration with GOTAFE and Wodonga TAFE, at campuses in Benalla, Shepparton, Wangaratta and Wodonga.</p> |
| Objectives: | <p>The Diploma in General Studies is designed to provide students with a broad tertiary study experience, allowing them to develop their knowledge and understanding of their chosen discipline areas, in addition to the skills required for academic scholarship. The course will allow students to develop:</p> <ul style="list-style-type: none"> # A systems thinking approach # Appropriate discipline knowledge and the ability to evaluate knowledge gained from a range of scientific, economic and social sources; # The ability to learn in a range of ways, including through information and communication technologies; # The capacity to initiate and maintain cooperative relationships with others, in particular in team-based situations; # Written and oral communication skills appropriate for university study; # An aptitude for continued self-directed learning # Ability to communicate and disseminate knowledge and information in a variety of media # Skills to effectively analyse, and evaluate problems and reach appropriate solutions # A sense of confidence in their intellectual abilities and enthusiasm for lifelong learning . # Commitment to improving the sustainability of the environment |

| Entry Requirements: | <p>For school leavers, admission requires prior completion of prerequisite study in English, English Literature, (Study Score 25) or ESL (Study Score 30) at final year secondary school level. A minimum ATAR of 50 is also required.</p> <p>Mature Age entry is encouraged. Applicants will be required to attend an interview as part of the selection process</p> | | |
| Core Participation Requirements: | <p>Candidates for the Diploma in General Studies must possess behavioural and social attributes that enable them to participate in a complex learning environment. Students are required to take responsibility for their own participation and learning; and contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. This course requires all students to enrol in subjects where they must actively and safely contribute to field excursions and laboratory activities. Students who feel their disability will impact on meeting this requirement are encouraged to discuss this matter with the Subject Coordinator and Disability Liaison Unit (8344 7068 or DLU-enquiries@unimelb.edu.au).</p> | | |
| Further Study: | <p>Graduates of the Diploma in General Studies may wish to continue their studies at University or TAFE.</p> <p>Eligible graduates may consider applying for Bachelor study in one of the following courses:</p> <ul style="list-style-type: none"> # Bachelor of Science # Bachelor of Commerce # Bachelor of Agriculture # Bachelor of Environments | | |
