Coordinator:	Dr Hans Baer
Contact:	Dr Hans Baer (http://www.ssps.unimelb.edu.au/about/staff/profiles/baer) hbaer@unimelb.edu.au (mailto:hbaer@unimelb.edu.au)
Subject Overview:	This subject involves a critical assessment of the literature of a research area in development studies, chosen by the student in consultation with their supervisor (supervision to be arranged by the subject coordinator if student is not completing the thesis). The area of review will be determined during regular meetings and discussions between the student and supervisor. Regular meetings will be held to discuss the development of academic arguments in the review. Preparation of the review will include an extensive literature search by the student on the defined topic and critical appraisal of drafts by the supervisor prior to final submission of the review.
Objectives:	Students who successfully complete this subject should: <ul style="list-style-type: none"> # possess library research skills; # develop analytical skills; # acquire training for writing academic papers; # appreciate theoretical perspectives in development.
Assessment:	A written review essay of 5000 words (100%) due during the examination period. Assessment that is submitted after the due date and up to 10 working days late without an approved extension will be marked on a pass/fail basis only. Assessment that is submitted later than 10 working days will not be accepted or marked. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Texts will be determined in consultation with the supervisor.

Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	Students who successfully complete this subject should: <ul style="list-style-type: none"> # think critically (for example, about development and its measures); # obtain information to evaluate propositions (about the principles of development); # write coherent and researched projects.
