Subject Overview:	<p>This subject is for students specialising in Directing. This subject involves the application of composition, planning and management, facilitation and directing skills to the production of a text-based performance work. Other disciplinary skills will complement the area of specialisation. The student has some technical support and presents the production for a short public season addressing location, promotion and audience engagement issues in the process.</p> <p>The play will be chosen in consultation with the course coordinator. The project is to be fully documented through all its phases, including a detailed written post-production analysis of the working process</p>						
Objectives:	<ul style="list-style-type: none"> # develop the ability to inspire, motivate, communicate and collaborate to construct a theatre production; # apply skills in script analysis and rehearsal organisation to the production of a full-length play; # respond productively to constructive feedback; # cohere the various elements of production into a satisfying whole; # conduct a technical rehearsal; # work within a given production budget; # present a theatre work for an audience; # exhibit the ability to document, reflect upon and evaluate one's own creative process. 						
Assessment:	Project production: preparation, rehearsal, performance (60%), Written work and documentation not exceeding 2000 words (40%) (mid semester)						
Prescribed Texts:	None						

Recommended Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>On completion of the subject students should have developed;</p> <ul style="list-style-type: none"> # The ability to work as a leader, showing initiative but also an openness to the ideas of others and ways of encouraging these # The application of advanced skills in the initiation, conception and structuring of a creative work # The application of advanced skills in leadership, initiative and group dynamics # The application of advanced skills in time management # The application of skills in group dynamics # A deeper confidence in working as a leader with small groups
