The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the HDisability Liaison Unit websiteH: Hhttp://www.services.unimelb.edu.au/disability/H
Contact:	Education Student Centre
Subject Overview:	This subject reviews contemporary theories and explanations of learning disabilities in literacy and examine their underpinning assumptions and implications. Theories include schematic-interactive models, strategic models and orthographic learning models. Implementation issues such as word, sentence and topic level processes are examined. Contemporary diagnostic and education programs and practices for students with learning disabilities in literacy are analysed and evaluated in terms of current research. In addition, strategies for the provision of assistance at the systemic, school and classroom levels are examined.
Objectives:	Information not available
Assessment:	One written assignment totalling 4,000 words (100 per cent).
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
