| Subject Overview: | <p>This subject combines theoretical and practical issues in teaching and learning based on the Physical, Personal and Social learning strand of the Victorian Essential Learning Standards (VELS). Through student centred and inquiry-based approaches to physical activity and sport pedagogy, we will explore the VELS strand and develop strategies to integrate Physical Education and the other domains within this strand (Interpersonal learning, Personal learning and Civics & Citizenship).</p> <p>Specific areas we will focus on in this physical education subject are planning & programming; unit development & assessment (for years P-6); integration & implementation of VELS; organisation & management of the learning environment; service learning; administration of whole of school sport and physical activity program; inclusive physical activity; and an exploration of student centred & inquiry based pedagogy.</p> | | | | | | |
| Objectives: | <p>Students should be able to:</p> <ul style="list-style-type: none"># Demonstrate knowledge of VELS applied to the primary PE setting# Develop PE specific class management skills relevant to teaching PE# Develop whole of school management skills to deliver extra-curricular sport and physical activity programs and events# Understand a range of pedagogical styles required for teaching PE in primary schools# Understand health and safety issues and procedures# Demonstrate understanding of issues relating to equity and social inclusion in PE, sport and physical activity# Demonstrate knowledge of service learning and inclusive practices in PE | | | | | | |
