Subject Overview:	<p>Students prepare a refined study proposal appropriate to their studio practice. The program should provide a conceptual framework for development and incorporate a study plan for acquisition of the skills necessary to realise the projected work. Students are encouraged to consolidate visual experimentations and the conceptual framework in their developing practice. Guidance and assistance is provided through individual and group tutorials. Each student is assigned an Academic Advisor who is responsible for oversight of the student's progress. Individual Tutorials provide the opportunity for one to one critical discussion with staff regarding the formal, conceptual, personal or expressive bases of the student's work and its realisation. Group Tutorials encourages critical discussion and debate in a peer group situation where the individual's work provides the starting point for consideration of a range of issues surrounding contemporary art practice.</p>						
Objectives:	<p>This subject will enable students to further develop and refine their ability to:</p> <ul style="list-style-type: none"> • manipulate and manage the materials and processes involved in the chosen visual art medium; • express ideas and personal concerns through the chosen visual art medium; • gather and synthesise information and other resources in the service of a personal art practice; • discuss contemporary art practice and its personal, professional and social context. 						
Assessment:	<p>Submission of a substantial body of work which reflects the range of the student's activity throughout the semester and which demonstrates the student's conceptual ability; critical judgement and refinement of working methodologies with particular regard to a coherent visual language and sense of professionalism (100%). In order to be eligible for assessment a student</p>						

	must have attended a minimum of 80% of the scheduled Group Tutorials and presented work at least once in one of these tutorials.
