Subject Overview:	This subject equips students with the drawing skills necessary for the development of a small-scale design and with the graphic skills necessary to illustrate and document the design to produce a portfolio. Sketch design skills will be developed through a series of class graphics exercises. The skills of hand drawing, the use of software such as sketchup pro and the Adobe Design Suite will be introduced. These individual skills will be incorporated into a full graphic presentation of a small-scale design.						
Objectives:	Information Not Available						
Assessment:	Practical graphic exercises - the equivalent of five A3 drawings completed during the semester (50%), one major assignment (a design portfolio) due at the end of the semester (50%). Hurdle requirement - to pass the subject students must receive a pass grade in the major assignment.
